System developer intern

Lexicon Linkoping

Jun 2021- Oct 2021

With an agile team of .Net developers, I created a web-based application using MVC design pattern and Microsoft technologies, such as .Net framework, ASP.NET, C#, Entity Framework, MS SQL Server, LINQ, Azure.

UX/UI design intern

Cybercom Linköping

Oct 2019 - Jun 2020

Attended daily scrum with developers, engaged in agile practices, worked on visual content design, UX analysis, UI design, as well as got involved with writing some code.

Founder & Designer

LoveNature Sweden

Sep 2018 - 2020

Worked on branding design, product design, social media marketing.

B/First Flight Attendant

Qantas Airways

May 2006 - Nov 2017

Trained and operated on aircrafts A380, A333, A332, B747, B767 and B737.

Throughout my tenure at Qantas Airways, I attended trainings and qualification exams regularly, gained knowledge and skills involved aircrafts specific in-flight safety, as well as analysing, prioritising, solving CX related problems.
